Letter from the CEO, Dr. J. Tony Slay

**God is on the move
all across America.**

If you are praying and placing yourself in the midst of the living body of Christ, **God is speaking and it is all about victory.** You have to understand that the harvest is so ripe it is falling into the harvester's hands.

It's time to yield to God and become one of the laborers in the

harvest. It's time to stir up the gifts within and let God out of the box you have Him in.

When the simplicity of the gospel is shared, it is met with tears and appreciation. I appreciate so much the ones that shared Jesus Christ with me.

I am so glad that they loved me enough to let me in on the awesome

plan of God for my life. I am so glad God's plan of salvation made it to my heart and I entered into God's plan to be part of his family. **Now I cry, "Abba Father".**

MII Regional Prophetic Outpouring

Ministers, I have always said that God is talking like rain and I am just a little bucket to catch some of what He is saying. I have always said we need more buckets to catch the rain. Are you one of the buckets? **Let's hear and release what God is saying together Sunday evening, June 5th, at 6:00 p.m., 220 Hiway Dr., Clinton, TN.**

This will not be a night of preaching. It is a night of hearing and releasing what the Lord is saying. Each speaker will have 5 to 15 minutes to share what God has given them for our region. The offering will go to the churches. We now have 4 churches and possibly a fifth church involved. At this time, we plan to hear from 5 to 8 speakers per church. MII Supernatural Ministers, let me know if you want to give what God is saying to you in these meetings.

God Has You Covered Northern Kentucky and Cincinnati

While ministering in Burlington, Kentucky, just outside of Cincinnati, Dr. Tony Slay had a powerful word over the region. In the word from God he describes a bubble over the region and tells them they are protected from terror. Immediately a woman in the meeting came to him with a picture of what was over the region. Yes, Cincinnati and Northern Kentucky you are protected.

Signs in the Heavens Above the Maasai Land as They Celebrate Jesus

On March 21st, the Maasai Tribe (a tribe of Israel) was surprised by a sign in the Heaven. A huge bubble, like a dome, covered their land. King Josiah Muesha Nakeel, Bishop of MII Kenya, and his son, Hon Stephen Muesha, reported that they and their people thought the Rapture was taking place. You can view the video on the Ministry International Institute FaceBook page titled..... **Ministry International Institute (MI)**. <https://www.facebook.com/Ministry-International-Institute-MII-191685360856685/?fref=ts> In the video you can see the bubble and hear everyone that is outside praising God. God has you covered! Praise the Lord! If you're not already a friend with us on FaceBook, be sure to like our page! By liking our page you will receive weekly notifications of news and events.

Digging Old Wells of Revival in Sweetwater, Tennessee, Pastors Kit and Dona Keener

About two years ago the Lord spoke to me as I was falling asleep and said: "I want you to sell your house and move to Sweetwater, TN". We were obedient and have now lived here about two years. He spoke again recently that we were to begin revival meetings in Sweetwater. We felt led by the Spirit to go to the Hilltop Hotel located at 180 New Hwy 68. After approaching the manager at this location, we found out that years ago both Dr. T.L Lowery and Dr. Norvel Hayes had healing revivals at this same location!

I believe we have been sent here to dig old wells that have been stopped up for many years. God has picked hot spots in this area to pour out His Spirit and His presence. I believe Sweetwater will be one of these fires that will ignite this region for the glory of God.

Much to my surprise, at our first meeting in March, the room was packed out with people hungry to see the healing virtue and the glory of God move in this region. One lady testified that for days after laying hands on her, the fire of God was still going through her body. She then went out and held a revival herself and saw many salvations and people filled with the Holy Spirit!

We would love to have you join us in this powerful move of God!

Great Word of Destiny

Matthew 10 Ministries International Evangelist, Dr. Pete Sulack, goes to India

Preaching in one of the terrorist capitals of Asia, is just one of the many amazing things Dr. Pete Sulack is involved in.

On this trip, God's power and grace were amazing as 45,000 people ran to Jesus. One of the many incredible miracles that happened was when a word of knowledge came forth that someone was being healed of a deaf and mute spirit. A 15 year old boy came to the platform that had been deaf and mute since birth and could now hear and speak for the first time in his life. **God is still in the miracle working business** and

heaven had to be excited to have the multitudes added to the family of God.

We love you Dr. Pete. Keep up the great work. Blessing to all the Matthew 10 Ministry Team.

Living in the Kingdom, Apostle Doug Watts

Three years ago, I was ministering in Honduras when I met a man named Leo, from Nicaragua. He spoke no English and I spoke no Spanish. Through a translator, he asked if I would come to Nicaragua. I said I would pray about it. A few months later I reconnected with him on Facebook and he continued to ask. I just didn't know how it would work out, mostly due to the language barrier.

God continued to speak to me about going, so finally in January I bought my ticket and depended on God to work on the details. Now, I had the ticket but had no idea where I was going or what I would be doing. I met Leo and Alex, whom I did not know, at the airport. Believe me, I was totally depending on God! Amazingly, Alex spoke perfect English and was also a missionary, so I had my interpreter.

They informed me that they had lined up at least 10 churches for me to share the message God had given me. Now, I knew where I was going. (*Proverbs 3:5,6 Trust in the LORD with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths.*)

Not only did I speak at these churches, I was asked to speak at so many churches that I could not possibly fulfill all the request. (*Ephesians 3:20 Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us.*) Then Leo said that I had been asked to go to

Living in the Kingdom Continued

Costa Rica and speak at a pastor's conference with over 100 pastors in attendance. I was also asked to go to Panama. Apparently they had heard what I was preaching about and wanted to know more. **The people were so hungry for the meat of the word.**

By Gods mandate, I spent the whole two weeks speaking on the kingdom of God, the authority we have because we hold the keys to the kingdom, and also how to live in the kingdom. They clung to every word and wanted more. I was invited back as often as I could come.

During my "free time" I taught Leo and Alex one on one. Alex called me a few days after I got home and told me he was using "his authority" that he had been given and it was working. *(Matthew 16:17-19 And Jesus answered and said unto him, Blessed art thou, Simon Barjona: for flesh and blood hath not revealed it unto thee, but my Father which is in heaven. And I say also unto thee, That thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it. And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven.)*

For years, I had a reoccurring dream about jumping off a cliff. God was asking me to jump, but I didn't know why. **Finally, I made the jump into the unknown waters and landed right in my destiny.** Sometimes He just wants us to jump and trust him. *(Psalms 37:23 The steps of a good man are ordered by the Lord; and He delights in his way.)* On the 17th of May, I am heading to Costa Rica and planning my next trip to Nicaragua. I am 71 years old so it's never too late to jump. **God is such a good and faithful God!**

Project Manuelito in Talanga, Honduras

Hello, my name is Jerry Cobb and as a member of MII, my wife and I were able to go to Honduras on a mission trip. We would like to share a little about the trip and show you some pictures.

The name of the project is Manuelito in Talanga, Honduras. A local pastor there saw a need to help children that were living on the streets of Honduras. He stepped out and God showed up with a plan. He was able to secure some land and start a project where the children would have a safe place to stay. As of March 2016, there are 43 children that live permanently at the project and another 96 that attend the school. These 96 live in the village of Talanga.

Our purpose on the mission trip was to help with the building of different units to house the children. As you can see from the pictures, the work is very hands on. We were working on classrooms for another school building. The work is very physical, yet rewarding. Jesus said, "The poor we would always have." We see this as an opportunity to show the love of Jesus to people that we would never have met otherwise.

As part of MII, we are very thankful for the prayers when we are on these trips. It is always a blessing. MII is reaching out to many different people in many different countries; this is but one.

If anybody would like to contact us, we can be reached by phone at 1-765-506-1342 or 1-765-506-1345.
