

Home Bible Study Fellowship Course Description

A1 - How to Become a Mature Christian

5-Lessons from 2 Peter to develop a maturity plan for Christians. Parallels Christian development with that of a baby through adulthood. Participants can locate themselves in the maturity process towards the ultimate - love.

A2 - Love That Passes Knowledge

5-Lessons starting with Adam & Eve acquiring knowledge in Garden of Eden, God's reaction, the affect on Jesus' ministry, the reaction of the Holy Spirit, and how to overcome sin tendency. Students achieve deeper understanding of God's love for mankind.

A3 - The Melchizedek Priesthood

7-Lessons that describe who Melchizedek was, his role and relationship with the Levitical Priesthood of the Old Testament, and the necessity for a change to the law and Priesthood of the Old Testament. Also discussed are tithing, praising God and speaking in tongues.

A4 - Praise, Worship & Spiritual Warfare

4-Lessons that discuss 5 levels of Praise, and 2 categories of Worship. Praise & Worship are then shown to be defenses against Spiritual Warfare, whose reality and nature are also discussed.

A5 - Intercession

4-Lessons that identify the need, role, and purpose of Intercessors and the role of Jesus as our Intercessor model. The course includes a detailed analysis of Jesus' greatest Intercessory prayer and examines the Intercessor role of the modern day church. The difference between faith and unbelief is also discussed.

A6 - The Kingdom of God

4-Lessons that clarify what the Kingdom of God is and how to get into it. Three major Kingdom principles are presented and shown at work in the Kingdom. The location of the Kingdom is described and how God works in a believer through the Kingdom.

A7 - Holy Spirit

4-Lessons showing the eternal existence of the Holy Spirit, His existence as a person, and His operation in both the Old and New Covenant. His role in various phases of the life of mankind is reviewed and examples of Him in action in seven areas of life are presented. The course concludes with an explanation and clarification of the two baptisms - water baptism & Holy Spirit baptism.

A8 - Covenants

4-Lessons looking at covenants between God and man starting with non-conditional covenants and progressing to blood covenants, their role in repentance and acceptance, what salvation provides us, how do we acquire salvation, and four requirements for full participation in the New Covenant.

A9 - Applying the Blood

3-Lessons examining the role of blood in man's history and the emphasis on blood placed by the Father, why the Blood of Jesus is important and necessary, and the symbolism evident in the shedding of Jesus' Blood.

A10 - Faith

3-Lessons that include examination of the Old Testament examples of faith, recognize the importance of faith, see the role of faith in our righteousness, and see what the result of a life of faith can be. Answers the questions, "Who has faith?" "Where does faith come from".

A11 - Innerworking of the Godhead

3-Lessons help understand the roles of the three Persons that form the Godhead, and understand how we should relate and react with each of them. The course examines the function of the Persons of the Godhead and how they are instrumental in our salvation and our lives as Christians.
