## SUBJECTS FOR LIFE EXPERIENCE CREDIT

Listed below are many subjects that you may have studied during your ministry. Credit may be given if you have spent at least 192 hours researching any given subject. This equals approximately one sermon per week for ten weeks, or ten different sermons on any topic during your ministry. When and where possible, we will use those subjects checked when making the official student transcripts. Be prepared to submit tangible evidence of your private studies if necessary. Check those subjects where you have at least ten sermons or 192 study hours.
