## Letter From the CEO, Dr. J. Tony Slay

### It's Christmas....Enjoy!

Christmas is the time that the character and nature of God is shown through this great country. Yes, God is a giver and not just a “get by giver” but a “give your best giver.” The celebration of the birth of Jesus Christ is a season that selfishness goes out the door and we go all out to give and bless the ones we love. It is such a selfless time that we even take care of the multitudes we don't even know. It is a time of love that passes knowledge. We give to family, friends and strangers; even those we do not particularly like. We give with hope of restoration, joy and to see the look on the faces of those we bless. Christmas is the time that many give the gift of their time traveling to be with people they love and miss. Also, we see the gift of time, money and labor preparing the Christmas dinner where we sit around big tables, all through the living areas, and when weather permits, outside. We enjoy conversations, each others company, and sense of joy that we are all here.

Giving the gift of love is contagious and very fulfilling. This Christmas remember that God started all this with the gift of his Son, Jesus Christ. The joys you share with family, friend or even strangers is all representing who our God is and why we love him so much. Many try to misrepresent our God; however, during Christmas enjoy watching movies, singing songs and joining in on church activities that reveal the love and joy of our heavenly Father and his Son Jesus Christ.

# 2016 The Year of The Evangelist

A little over 7 years ago I received a word that I would be instrumental in releasing the Evangelist back to the church. Every gift has its importance and is being recognized by most of the church; however, the Evangelist seems to have disappeared.

*Ephesians 4:11 And he gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers.*

Notice that the Evangelist is important to the church; not just to the lost as many assume. Pastors, we need the Evangelist in our pulpits. Each gift has its place but the Evangelist is the one that keeps us from being introverted. Without the Evangelist the church turns inward and then becomes fat. That's when the real trouble starts.

I am not talking about holding a revival and inviting another preacher in to speak. You need an Evangelist! The Evangelist heart is to see people come to Jesus and to encourage the church, young and old, to go win someone to Jesus. If they aren't about reaching the lost, they are not an evangelist. If they can't tell you the last person they lead to the Jesus outside the church, they are not an Evangelist.

It is true, the Evangelist will not preach like you or the other gifts; however, they will stir the heart of the believer to win the lost. **NOTHING ELSE WORKS!** It is God's way. Open the door to the Evangelist in 2016 and let's harvest together.

## Bread From Heaven

The “Bread from Heaven” base scripture is found in Isaiah 55:10 – “For as the rain comes down , and the snow from heaven, and do not return there, but water the earth, and make it bring forth and bud, that it may give seed to the sower and bread to the eater.”

Bread from Heaven was birthed from a vision God gave Betsy Livermore to not only feed the hungry, but to teach them how to make bread that is healthier and less expensive than store bought bread.

Bread machines are bought at discount from thrift stores. The Livermores were amazed to find out that most stores throw away many machines each week! Each machine is then cleaned and tested to make sure it is in good working order. A manual is printed and put in a binder and placed with each machine.

The bread machines are then sown into those which are in need or who want to provide their families with fresher and healthier bread, which cost less than what the grocery store is offering. Classes are held to demonstrate and teach how to use the machines properly.

*Hmmmmm. Great idea.  
How can you be Jesus  
to someone this year?*

*Matthew 25:35-40 For I was an hungered, and ye gave me meat: I was thirsty, and ye gave me drink: I was a stranger, and ye took me in: Naked, and ye clothed me: I was sick, and ye visited me: I was in prison, and ye came unto me. Then shall the righteous answer him, saying, Lord, when saw we thee an hungered, and fed thee? or thirsty, and gave thee drink? When saw we thee a stranger, and took thee in? or naked, and clothed thee? Or when saw we thee sick, or in prison, and came unto thee? And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me.*

# MII No Limits by Dr. Chris Waller, Vice President

Dear Pastors and Co-Laborers, **Due to our great success with the Ministry International Institute program, we are excited to offer a new promotional which we are extending to all Churches, big or small.** For 14 years we have planted Ministry International Institutes around the world where many have been trained and equipped to step into the ministry in which they are called. Thousands have attended our course and the results have been that millions of lives have been changed.

For the Associate program, we offer students scholarships which greatly reduce the price of this two year course to \$1,125.00 per student. **However, we are now providing Churches the opportunity to open an Extension Site Campus at a cost of only \$10,000.00 where you will be able to offer everyone in your church a fully accredited education. (We will also show you a great way to recoup this initial expense).** The only expense to the student will be \$175.00 which will cover their

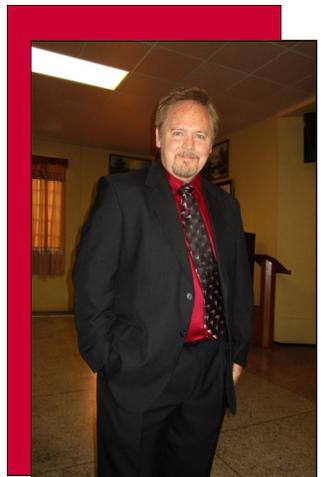

textbooks, cap and gown for the graduation ceremony, and their diploma. If a student is unable to pay the \$175.00 fee in full, we will break it down into two easy payments. This economically empowers your Church family to become a part of Ministry International Institute and to receive a fully accredited Biblical education.

Think about this great opportunity and the possible benefits for your Church. Instead of having only a handful of students paying \$1,125.00 each, **you now can have 50, 100, 200+ students that will be trained and equipped through the Word of God.** This creates a potential to bring in a great harvest within your Church. Students will become excited about what they are learning and begin to invite their family and friends to be a part of the place in which they are receiving. This means more tithes and offerings as more people begin attending. This course also causes the students to become great Helps Ministers and bigger givers as they

learn about the Melchizedek Priesthood and the truths concerning tithes and offerings.

**Take a moment and imagine graduation day.** The Church packed out with family and friends (probably a few that normally wouldn't step foot in a Church) all coming to watch their loved one walk across a stage to receive their diploma. Caps and gowns, smiling faces, testimonials, a powerful ceremony with radical, on fire for the Lord graduates. **Wow, the exposure your Church will receive; the potential and possibilities are endless!**

## Merry Christmas Poem by Dr. Amy Slay

Merry Christmas: It's the time that we celebrate Jesus Christ! We celebrate His love that has always sufficed. From back at Calvary and through today, His love has remained. And, even through eternity it will stay the same. He came to this earth as a baby so helpless and poor. As a small boy, he even had chores. But there was something different about Him. Twelve knew this true. His disciples followed Him that they might become new.

"You are the Christ (the Anointed One), the Son of the living God." Peter replied. For flesh and blood had not revealed this to his mind. No, this was something spoken from Heaven. It was something God gave, so divinely given. Jesus Christ, as the Son, lived a perfect life.

He came and bore our sins and He took on our strife. He made us clean that we might have life. His body given was the costly price. His stripes, they were for my healing. And, my peace with God came through Jesus' bruising. Oh, what a beautiful exchange to lay it all at His feet. To gain His manifested love so perfect and complete. Believer's we have been raised up for such a time as this! All because of what He did back then.

## Merry Christmas Poem Continued

He made a difference and I say, "So will I!" Even greater works will I do, for I was meant to die. Die to myself and let Christ shine. My name made low and His made high. I will give the Lamb the reward of His suffering. I will pour out my life to Him as a fragrant offering. With the Holy Spirit as our Helper, we will not fear what this world may bring.

Our eyes, they are placed on the Heavenly things. With the power of God so strong in our lives, what can stand against? Not even the devil's knife. See, satan was defeated when Christ swept through. The only power that he has is what you let him take from you. So don't give up! Stand your ground. It is time to turn this world upside down. We've got a mission. A vision. Prophecies to come true. But, how can they happen if you do not let God work through you?

Let this Christmas be a reminder of what the Son did FOR you. And, in this new year, remember who Christ is IN you. Christ in you, the hope of glory! Christ in you, what a beautiful story! We were made children of God through Christ's death and resurrection. Now, creation groans in waiting that we would rise to the occasion. Time to look and act just like our Father. To carry His presence and even walk in His character. The Son is coming back for us as a glorious bride. So we choose to stand up and to rise and shine!

**Many of you know and love Drs. Amy and Rachel Slay; how they love and minister continually to the Saints.**

**They recently released a worship CD with four original worship songs and a powerful rendition of the popular song, "Where You Go I Go". This CD is filled with uplifting songs that reveal God's heart and release Him to move in extravagant ways for those who listen.**

# Happy New Year

From the Board of Directors and Staff of Ministry International Inc. and Ministry International Institute (MII) home offices and campus, we want to say Happy New Year.

Our home campus is gaining students as we are moving into high gear in 2016. In this New Year we will open many new classes hosting morning, afternoon and evening classes. With that said, WE HAVE A NEED: We are looking for teachers for new classes. The commitment is for one year, one day a week for 2 1/2 hours. Give us a call and let's talk. Training people through the MII course is a true blessing from God.

Remember, to those in the area we have Sunday night services at 6:00 p.m. At Oasis of Love (The Oasis) located in Clinton, Tennessee. Dr. Tony and Rev. Kristie Slay are watching God have a “transforming effect” on the many ministers and other individuals that are coming to receive. The Word and Power of God is changing lives as we are seeing people born again, filled with the Holy Spirit, miracles, and a strong prophetic anointing. Come worship with us in the New Year.

Also, beginning 2016 we will kick off the next year of MII Supernatural Ministerial Fellowship meetings where ministers are getting to know each other and work together. At the next Fellowship meeting we will be planning MII Supernatural Conferences for the next two months. If your Church would like a move of God at the beginning of 2016, contact us at 865-938-5544 or attend the fellowship meeting. It gives us great joy to see what God is doing. Be sure to reference our website at <http://ministryinternational.tv/2015-supernatural-conference/> or if you are on FaceBook, like our page to be kept up to date on meeting dates and conferences.
