MINISTRY INTERNATIONAL INSTITUTE APPLICATION - ADDENDUM

**PLEASE MAKE COPIES AND GIVE TO STUDENTS WITH APPLICATION
(Instructor and Students must sign and turn this form in with their application)**

PLEASE READ THE FOLLOWING CAREFULLY

Non-Discrimination Policy - MII does not discriminate on the basis of nationality, ethnic origin, age, or gender. We guarantee the rights and privileges, and the availability of programs and activities to all students.

Privacy Rights of Students - Statute 20, UNITED STATES CODE, 1232g and regulations adopted pursuant thereto. The code provides for an institution to establish a category of student information termed "directory information." All information, such as health and medical records, disciplinary records, records of personal counseling, required student and family financial income information records, transcripts or student permanent academic records, student placement records and other personally identifiable information shall be open for inspection only to the student and such members of the professional staff of the school as have responsibility for working with the student. Such information will not be released to second parties without consent of the student. Except as required for use by the president in the discharge of his official responsibilities as prescribed by laws, regulations of the state board, and board policies, the designated custodian of such records may release information from these records to others only upon authorization in writing from the student or upon a subpoena by a court of competent jurisdiction.

Accreditation - MII is accredited by the Accrediting Commission International (ACI), the world's largest private non-governmental accrediting agency and is not regionally accredited. ACI accredits, according to accepted educational standards, private educational institutions and exempt Bible Colleges and Seminaries. MII has not sought U.S. Department of Education recognition at this time, nor does ACI or MII guarantee the acceptance of academic credit by other colleges, universities, private educational institutions or other Bible colleges or schools. The designations earned are for use in the various fields of Christian ministry and are not to be confused with secular degrees which may necessitate different educational requirements.

MII is not a job placement service and makes no claims regarding employment.

The credits of some schools accredited by ACI have helped graduates receive promotion in rank in the U.S. Military, or other job promotions, and have been accepted in many cases as students have presented them to further the recognition of their education. MII has sought this accreditation to give your time spent in ministry training more weight in the Church world. MII is doing all we can with as little government influence as possible to equip you for the call God has on your life. ACI has given your educational time with MII weight in 5 continents.

DISMISSAL - Students may be dismissed from enrollment or participation in Ministry International Institute classes for engaging in disruptive behavior, unwillingness to participate in classroom or homework assignments, failure to cooperate with classroom procedures, or disrespect of instructors or other students. No refunds are allowable in such cases.

I have thoroughly read and understand the above statements.
